This is an informal retreat where everyone brings what ever craft they want to work with! Our group does a wide variety of crafts so if you need help with something you can always find someone there to help you out! You will need to bring crafting supplies, whatever tools and things you need! It is quite a ways from a nearby store! Be sure to bring extra lighting if you need it and extension cords!

All meals, 24 hour coffee and tea, and housing are supplied. The staff are very good with working with those who have special diet needs. Please bring bedding for a twin bed, toiletries and towels! We sleep 2 to a room so if you have a friend be sure to bring them!
