Dorm Rooms

Champlain College, Boardman Hall, 6.0 miles
381 Main Street, Burlington

We have reserved 3 dormitory suites (12 rooms) on a local college campus. Price for 2 nights (Friday and Saturday) in a private room with a shared bathroom is \$165, which includes bedding and towels. A 3-night stay (Friday, Saturday, and Sunday) would be \$225. Each suite has a small common space, a microwave, and a small fridge. There is a larger lounge area and kitchenette in the building. This will likely be the least expensive housing option you'll find. It would be great to fill these rooms and extend the social aspect of our crank-in. Boardman Hall is within walking distance of downtown Burlington. Please indicate on your registration form if you would like to book one of these dorm rooms.
